

We incorporate the Early Years Learning Framework into our practices.

Please bring

- A nutritious lunch & snacks (nut free)
- Nappies
- Sun hat or beanie
- Water bottle
- Coat & gloves for snow play
- Appropriate clothing and footwear and change of clothing including socks.
- Sunscreen needs to be applied at home before arrival at the centre

Please make staff aware of any allergies or special needs your child may have and include an anaphylaxis action plan if required.

Please clearly label all items with your child's name.

Please note

In the interest of all children and staff, sick children will not be admitted to the Centre. If a child is showing signs of illness, please keep the child at home and cancel your booking. It is most important that a child who is not able to cope adequately with the child care day is not sent to the centre. Parents will be contacted and asked to collect their child if signs of illness or high temperatures occur.

Child care fees are still required to be paid when children are absent due to illness.
